Training certificate

Mr. Johannes Biess, born on March 7, 1999, completed his training as a wholesale and foreign trade clerk in our company from September 1, 2016 to June 31, 2019.

The on-the-job training included active participation in all commercial departments of D-TACK GmbH. Mr. Biess worked primarily in the purchasing, invoicing, marketing and sales departments.

He constantly updated his knowledge and put the knowledge he acquired into practice very well. Mr. Biess was always interested and willing to learn. After a short training period, he worked in a concentrated, reliable and independent manner. He completed his tasks with great precision, planning and system. He was always able to cope with increased workloads and deadline pressure.

Mr. Biess has extensive and very good specialist knowledge in the use of all common computer programs, which is always available.

Mr. Biess has a high degree of initiative, independence and commitment and was ready to take on responsibility early on. His sense of responsibility in fully completing the tasks assigned to him in our purchasing department is particularly noteworthy.

Due to his helpful and friendly nature, Mr. Biess is always highly valued by his suppliers, customers, superiors and colleagues. His behavior was always exemplary.

Since successfully completing his training, Mr. Biess has been working in the purchasing department of our company.
